

## Rechargeable Batteries

### Sealed lead acid (SLA)

#### Description

Altronix rechargeable batteries supply 12VDC for security, access, surveillance and fire applications.

#### Key Features

- For general purpose, up to 5 years in standby service or more than 260 cycles at 100% discharge.
- Sealed non-spillable lead acid batteries.
- Highly efficient, leak proof and maintenance free.

### Rechargeable Batteries Reference Chart

| Altronix Model Number | Output Voltage | A/Hr | Dimensions      |                 |                 | Weight              |                      |
|-----------------------|----------------|------|-----------------|-----------------|-----------------|---------------------|----------------------|
