BCDVIDEO™
simplicity, scalability, & reliability for the video market.

NOVA SERVER SERIES
professional level servers

BCD104V RACKMOUNT SERVER SERIES

The BCDVideo Nova Series is manufactured specifically for Enterprise IP Video Surveillance applications. The Nova Series is the newest-generation platform utilizing 6G SAS technology which enables more high-megapixel cameras per system than traditional SATA-based servers. This video recording platform is built with scalability, reliability, and longevity in mind.
