Data Sheet

## Key Features

- Supports 16-32 Video Streams at Full HD
- Built for Specific Decode and Display Metrics
- Windows 10 or Ubuntu 18.04 Operating System
- VESA-Mountable
- Ships with 3-Year Warranty

## Take the Guesswork out of Live Video Monitoring

exacqVision C-Series monitoring stations are ideal for viewing and monitoring video via the exacqVision Client. Built to achieve specific decode and display frame rates to meet the demands of the video security industry, the C-Series takes the guesswork out of sourcing a monitoring system to support multiple video streams. A seamless complement for current exacqVision NVR customers, C-Series monitoring stations bring consistency to an existing exacqVision hardware ecosystem or to accompany a new one. The C-Series is simply the best way to experience the powerful, intuitive features of exacqVision VMS.

## Tailor-made for Optimal Performance

The C-Series Standard, Pro, and Pro Plus are available with a Windows 10 or Ubuntu Linux 18.04 operating system. The system supports 16-32 video streams at full HD, ensuring smooth playback during live monitoring or search. Easily placed on the back of a display monitor and VESA-mountable, these machines are simple to install and perfect for environments with limited space. All C-Series monitoring stations ship with a 3-year warranty.

Johnson Controls

**Safeguard Against Cyber Attacks Across Devices**

exacqVision C-Series Video Monitoring Stations are NDAA-compliant and have been designed to be resilient against cyber threats. Our C-Series Monitoring Stations are gated, analyzed, tested, and required to meet or exceed the rigorous standards of the Johnson Controls Cyber Solutions Product Security Program. This holistic approach to cyber protection is aimed at providing peace of mind to our customers. Our security mindset begins at initial design concept and is supported through deployment, including a rapid incident response to meet the comprehensive and evolving cybersecurity environments.

# Specifications

| | C-Series Standard | C-Series Pro | C-Series Pro Plus |
|---|---|---|---|
| Number of Video Streams Supported | 16 streams @ Full HD | 32 streams @ Full HD | |
| Frame Rate | 15 fps per stream | 15 fps per stream (Linux) 10 fps per stream (Windows) | |
| Monitor Output | HDM (1), mini-DP (1) (max 1 monitor recommended) | HDMI (1), DP (2) (max 2 simultaneous monitors recommended) | |
| Form Factor | Micro | Mini | |
| VESA Mountable | Yes | Yes | |
| Operating System | Ubuntu Linux 18.04 | Windows 10 or Ubuntu Linux 18.04 | |
| Network | 1 Gb NIC | 1 Gb NIC | |
| Wifi | Yes | Yes | |
| SSD Storage | 128 GB | 256GB | |
| HDD Storage | None | None | 1TB |
| 3rd Party Applications | Not Recommended | Not Recommended | Supported |
| Regulatory | CE, FCC, UL | | |

# Ordering Information

| Model | Description |
|---|---|
| C-00T-16SL<br>(C-Series Standard) | Live monitoring station running exacqVision Client. Supports 16 Full HD streams, each at 15fps. Ubuntu Linux 18.04 on SSD, Gb NIC, Wifi, HDMI, mini-DP – max 1 monitor recommended. Mouse included, with on-screen keyboard installed. 3 years hardware warranty. |
| C-00T-32S<br>(C-Series Pro) | Live monitoring station running exacqVision Client. Supports 32 Full HD streams, each at 15fps. Windows 10 on SSD, Gb NIC, Wifi, HDMI, DP (2) – max 2 simultaneous monitors recommended. Mouse and keyboard included. 3 years hardware warranty. |
| C-00T-32SL<br>(C-Series Pro) | Live monitoring station running exacqVision Client. Supports 32 Full HD streams, each at 15fps. Ubuntu Linux 18.04 on SSD, Gb NIC, Wifi, HDMI, DP (2) – max 2 simultaneous monitors recommended. Mouse and keyboard included. 3 years hardware warranty. |
| C-01T-32S<br>(C-Series Pro Plus) | Live monitoring station running exacqVision Client. Supports 32 Full HD streams, each at 15fps. Optimized to run third party applications and includes 1TB HDD. Windows 10 on SSD, Gb NIC, Wifi, HDMI, DP (2) – max 2 simultaneous monitors recommended. Mouse and keyboard included. 3 years hardware warranty. |
| C-01T-32SL<br>(C-Series Pro Plus) | Live monitoring station running exacqVision Client. Supports 32 Full HD streams, each at 15fps. Optimized to run third party applications and includes 1TB HDD. Ubuntu Linux 18.04 on SSD, Gb NIC, Wifi, HDMI, DP (2) – max 2 simultaneous monitors recommended. Mouse and keyboard included. 3 years hardware warranty. |

## Johnson Controls

Johnson Controls is a global diversified technology and multi-industrial leader serving a wide range of customers in more than 150 countries. Our 120,000 employees create intelligent buildings, efficient energy solutions, integrated infrastructure and next generation transportation systems that work seamlessly together to deliver on the promise of smart cities and communities. Our commitment to sustainability dates back to our roots in 1885, with the invention of the first electric room thermostat.
