

## Milestone Husky™ M10

### Plug, Play, Walk Away

#### It's that easy

Our small and sleek network video recorder (NVR) is preinstalled with Milestone video management software and configured for efficient performance and reliability. Ideal for entry-level video surveillance. Set up in minutes and instantly access live and recorded video from any Internet enabled device. No training required.

#### Simple set up and easy to operate

- ✓ Plug in and operate within minutes
- ✓ Automatic camera discovery up to eight connected cameras
- ✓ Simple to operate without any training

#### Entry-level surveillance functionality

- ✓ Live video from all cameras in one viewing interface
- ✓ Simple view and play back
- ✓ Easily export for forensic evidence and investigation
- ✓ Pan-tilt-zoom (PTZ) controls

#### Scalability with Milestone Interconnect™

- ✓ Connect multiple Milestone Husky M10 NVRs for unlimited scalability and cost effectiveness
- ✓ Create simpler solutions at remote sites and still take advantage of XProtect® Corporate's premium features from a primary central location

#### Helping you do more

- ✓ User management capability for the administration of multiple system operators
- ✓ Built-in motion detection

#### Viewing clients

- ✓ Remote access via Web Client interface
- ✓ On-the-go surveillance with Milestone Mobile\*

\* Video Push is not currently available with Milestone Husky M10

Features and Specifications	Description
Form factor	Small, fanless
